These are the values and virtues we help our pupils grow.

Vision

1. To be established as an excellent **Swindon Primary School** where our core values drive great teaching and learning. Pupils' experience of school is settled, happy and successful and they leave here well prepared for the next step in their life and education.
2. To be **connected and integrated**, in tangible and positive ways, to our local communities – the town of Swindon, other Swindon schools, the Samuel Partnership of Swindon and Malmesbury Catholic Schools, and our local Catholic parishes.
3. For **strong governance**, where senior leaders and governors look ahead and lead with clear vision and sound strategy. Pupils, staff and parents are valued stakeholders. There is clear and realistic succession planning and recruitment to both senior leadership and the governing body.
4. Our school **mission and values**, the Catholic ethos of the school, shines through the words and actions of staff, pupils and governors.
5. Pupils at Holy Cross experience a **rich and broad educational curriculum** which includes a range of opportunities to enhance learning and live life to the full - including exposure to music, the countryside, art, sports, charitable works and fundraising for others.
