History

- Why do we study Ancient Egypt, a time thousands of years ago and what do we know about this time in history?
- How can we discover what Ancient Egypt was like over 5,000 years ago?
- What sources of evidence have survived and how where they discovered?
- What secrets of Ancient Egypt are revealed by the pyramids?
- What does the evidence tell us about everyday life for men, women and children?
- What did the Ancient Egyptians believe about life after death and how do we know?
