

Mathematics.

- Use greater than/ less than and the same as when comparing quantities to 10.
- Express numerical patterns with odd and even numbers as well as double facts.
- Share amounts equally e.g. 8 sheep across 2 fields.
- Automatic recall of all number bonds to 5 and some to 10 including double facts.
- Count confidently beyond 20 recognising the pattern of the number system.

Expressive art and design.

- Learn and perform new songs together about animals.
- Create animal adventures in the role-play area.
- Create our own animals using clay/salt dough..
- Experiment with colours and textures for our animal pictures.

Communication and Language.

- Talk about Chloe's farm visit using the names of the animals and vocabulary from the activities.
- Talk about Summer and how the seasons have changed
- Talk about different habitats of where different animals live
- Talk about the transition to Year 1

Personal, Social and emotional development.

- Show confidence with activities such as feeding animals when Chloe's Farm visits.
- Follow the behaviour expectations when handling animals
- Know that I should wash hands after touching animals.
- Know how to keep my teeth healthy.
- Form positive relationships with other children and adults.

Physical Development.

- Demonstrate strength, balance and coordination when playing in the outdoor area.
- Be able to skip, hop and run energetically ready for sports day.
- Form letter correctly for fluent handwriting.
- Confidently use a wide range of tools for artwork – pencils, brushes and scissors.
- Use cutlery correctly at lunchtime.

Literacy.

- Listening to some great stories – **What the Ladybird Heard, Going on a Lion Hunt, Smiley Shark**
- Learn and use new vocabulary about different animals
- Know the names of animals and their young.
- Read words automatically and read aloud sentences.
- Correctly form all letters.
- Write sentences independently

Understanding the world.

- We will explore life as an explorer through role play
- Changing seasons focus on Summer
- Make observations about the animals we meet.
- Different habitats of animals
- Compare different countries to our own
- Explore and create our own maps

Early Years Foundation stage Summer term 2 All Creatures Great and Small.

Throughout the year in foundation stage we will be looking at the 7 different areas of learning. This topic web explains some of the things we will be looking at during this term.
